You don't have to give us any of this personal information but if you don't, you may not be able to order a car from the website, and you are unlikely to receive our optimal overall customer experience. That is your choice – and we respect that.

We also anonymise and aggregate personal information (so that it does not identify you) and use it for purposes including testing our IT systems, research, data analysis, improving our site and app, and developing new products and services. We also share this information with third parties.

Sharing your information

We do not, and will not, sell any of your personal data to any third party. We want to earn and maintain your trust, and we believe this promise is absolutely essential in order to do that.

However, we share your data with the following categories of companies as an essential part of being able to provide our services to you, as set out in this statement:

Companies that help deliver our service to you, such as payment service providers and logistics partners.

Professional service providers, such as marketing agencies, advertising partners and website hosts, who help us run our business.

Credit reference agencies, law enforcement and fraud prevention agencies, so we can help tackle fraud.

Companies approved by you, such as social media sites (if you choose to link your accounts to us)

We may provide third parties with aggregated but anonymised information and analytics about our customers and, before we do so, we will make sure that it does not identify you.

Marketing messages

If you have said we can, we'll send you marketing messages by email, text, to keep you aware of what we're up to and to help you discover more about our service.

How to stop marketing messages from Whitecar

You can stop receiving marketing messages from us at any time.

You can do this:

- Through your account settings.
- By clicking on the 'unsubscribe' link in any email.
- By contacting our Customer Care team

Once you do this, we will update your profile to ensure that you don't receive further marketing messages.

Please note that it might take a few days for all our systems to be updated, so you might get messages from us while we process your request.

Stopping marketing messages will not stop service communications (such as order updates or where you have expressed an interest in an activity at Whitecar, for example new locations).

Seeing adverts for Whitecar online

We also engage in online advertising, to keep you aware of what we're up to and to help you see and find our service.

Like many companies, we target Whitecar banners and ads to you when you are on other websites and apps. We do this using a variety of digital marketing networks and ad exchanges, and we use a range of advertising technologies like web beacons, pixels, ad tags, cookies, and mobile identifiers, as well as specific services offered by some sites and social networks, such as Facebook's Custom Audience service.

The banners and ads you see will be based on information we hold about you, or your previous use of Whitecar (for example the content you read on the Whitecar website) or on Whitecar banners or ads you have previously clicked on.

Keeping your information

We'll hold on to your information for as long as you have your account, or as long as is needed to be able to provide our services to you, or (in the case of any contact you may have with our Customer Care team) for as long as is necessary to provide support-related reporting and trend analysis only.

If reasonably necessary or required to meet legal or regulatory requirements, resolve disputes, prevent fraud and abuse, or enforce our terms and conditions, we may also keep hold of some of your information as required, even after you have closed your account or it is no longer needed to provide the services to you.

You have a lot of rights relating to your personal information:

- The right to be informed about how your personal information is being used
- The right to access the personal information we hold about you
- The right to request the correction of inaccurate personal information we hold about you
- The right to request that we delete your data, or stop processing it or collecting it, in some circumstances

If you want to exercise your rights, have a complaint, or just have questions, please contact us.

We may change this page from time to time, to reflect how we are processing your data.

If we make significant changes, we will make that clear on the Whitecar website or other Whitecar services, or by some other means of contact such as email, so that you are able to review the changes before you continue to use Whitecar.
